

PSYCHOTHERAPY CLINIC FELLOWSHIP PROGRAM

About the Program

The Adult Psychotherapy Clinic of the Institute for Psychoanalysis is pleased to announce a new program - The Psychotherapy Fellowship. The Fellowship is a two year, part time program for clinicians who wish to study and improve their skills in the psychotherapy of adults using psychoanalytic principles.

Fellows will:

- Carry a caseload of a minimum of 6 clinical hours per week and receive weekly supervision with a psychoanalyst.
- Receive weekly supervision
- Attend clinical and administrative staff meetings with the APC staff therapists
- Meet twice monthly with Clinic Director and other trainees in case consultation group
- Have the use of the Institute Library and PEP Archive
- Be able to attend monthly Psychoanalytic Symposium meetings and Faculty Dialogues at the Institute
- Receive complimentary admission to all Institute conferences and workshops.

Eligibility requirements:

- As a minimum, applicants must have a master's degree in Social Work, Psychology, Counseling or its equivalent and be eligible for LSW, LCP licensure or its equivalent.
- Onsite requirements: Patient hours may be scheduled at the fellows' convenience, dependent on office availability and patients scheduling needs. Fellows must be available on Tuesday mornings for staff and educational meetings.

At the successful completion of the Fellowship, fellows may, if they are licensed, take their patients into their own practices.

APPLICATIONS:

Applications and required materials can be found online at www.chicagoanalysis.org under Professional Training.
