PSYCHOANALYTIC
INSTITUTE

TREATMENT CENTER

Post-Graduate **Part-Time** Psychoanalytic Fellowship

Certificate in Psychoanalytic Psychotherapy Upon Completion

=====

Graduates May Take Their Case Load into Solo or Group Private Practice

The Chicago Psychoanalytic Institute Treatment Center invites you to apply for our two-year part-time Fellowship training program in psychoanalytic psychotherapy. It is designed for those early and mid-career clinicians who have personal or professional commitments that preclude a full time position in our Treatment Center, but who are interested in additional training in depth psychotherapy.

This is not a paid position. In exchange for providing six hours of psychotherapy in our Treatment Center, fellows will receive supervision from seasoned psychoanalysts, collegial support, professional development mentoring, coursework through our internationally renowned contemporary and comparative psychoanalytic education program, and membership in a community of analytically minded professionals.

Opportunities for Part-Time Fellows include:***

- ❖ Weekly, one-hour, face-to-face supervision with a seasoned psychoanalyst
- ❖ Weekly, two-hour case consultation with a Training & Supervising Analyst
- ❖ Weekly, group supervision and a Frame Workshop with Training & Supervising Analysts
- ❖ Training in psychodynamic child, family, & group therapy
- ❖ First year of analytic coursework – our Fundamentals Year
- ❖ Upon completion graduates may **transfer their clients to a solo or group private practice**
